- A Qualifying Month occurs when you hand out 25 Magazines in a calendar month
 - Your first Qualifying Month is considered complete when you record the 25th prospect in your YTB Back Office
 - The calendar month this occurs in is considered the Qualifying Month
 - There is no time limit for your First Qualifying Month.
 - You then have 23 months to complete the remaining 11 Qualifying Months
- You must record the prospect's information in the YTB Contact Management System
 - Name
 - Phone Number
 - E-mail Address (Mailing Address if they don't have an E-mail address)
 - Follow up Appointment Date
- You must follow up on all 25 prospects
 - Update their status in your YTB Back Office until your Prospect either agrees to join YTB or tells you they are not interested
 - The Follow up does not have to occur in the same month the Magazine was handed out, but the Follow up must be documented in your YTB Back Office

Upon completion of 12 Qualifying Months

- Rep and RTA earnings (if participant is also an RTA) will be totaled
- If total earnings during the qualification period are less than \$6,000
